

International Symposium on Beyond Li-Ion Batteries 2024 - BeLI24

1st - 6th September 2024 - Padova, Italy

<https://projects.dii.unipd.it/beli24/>

SCAN ME

Conference Chairs

It is a great pleasure for the **Organizing Committee** of the **International Symposium on Beyond Li-Ion Batteries 2024 – BeLI24** to convene in Padova (Italy) all the people involved in research and technology on *materials and devices for electrochemical energy storage*.

BeLI-24 will be opened by:

Prof. Dr. Stanley Whittingham

Binghamton University

Nobel Laureate in Chemistry 2019 for **Lithium ion Batteries**

Vito Di Noto

University of Padova, Italy

Yang Shao-Horn

Massachusetts Institute of Technology, USA

Karim Zaghib

Concordia University, CAN

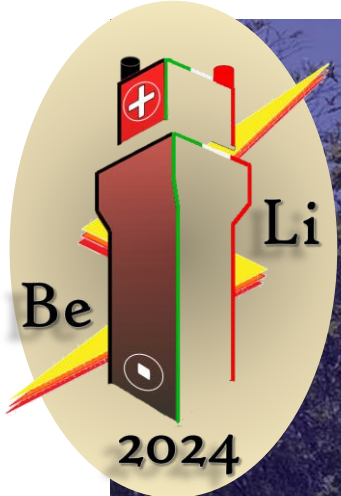

John Muldoon

Toyota Research Institute of North America, USA

Walter van Schalkwijk

University of Washington, USA

International Symposium on Beyond Li-Ion Batteries 2024 - BeLI24

1st - 6th September 2024 - Padova, Italy

Abstract submission deadline:
April 30th 2024
